

Please see the chart on the following pages to determine if your product is approaching its End of Life (EOL) and, if so, which product best replaces it.

To learn more about how to migrate products that are approaching EOL, please contact [Sales](#).

EOS = End of Sales

An End of Sales date marks the time at which the product will no longer be available for purchase.

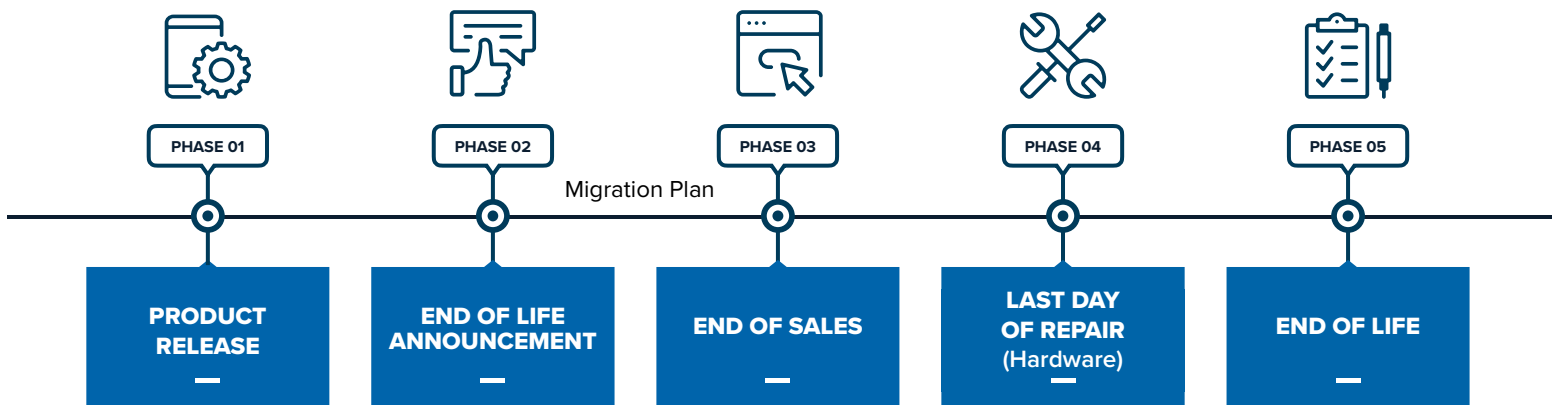

LDOR = Last Date of Repair

A Last Day of Repair Date marks the time at which the product will no longer be serviced. This date can change depending on component obsolescence.

EOL = End of Life

End of Life means the date when all support will end for a product
